

HPF SPA achieves Nadcap Accreditation for HEAT TREATING

Nadcap congratulates HPF SPA on successfully passing the HEAT TREATING audit and obtaining Nadcap accreditation.

“This important result has been gained thanks to our continuous research and passion for what we do”, Tommaso Lualdi CEO of HPF SPA.

Nadcap accreditation for **HEAT TREATING** has been achieved by **HPF SPA** as a result of effort they have invested in meeting stringent industry and customer requirements.

“The path to achieving Nadcap accredited status is not easy,” said Joe Pinto, Executive Vice President and Chief Operating Officer at the Performance Review Institute. “PRI remains committed to supporting companies like **HPF SPA** throughout the process of achieving Nadcap accreditation.”

About Nadcap

Created in 1990 by SAE Inc., Nadcap is administered by the not-for-profit Performance Review Institute. PRI is a global provider of customer-focused solutions designed to improve process and product quality by adding value, reducing total cost and promoting collaboration among stakeholders in industries where safety and quality are shared goals. PRI works closely with industry to understand their emerging needs and offers customized solutions in response. Learn more at www.p-r-i.org or contact PRI at PRI@p-r-i.org
